No. 29.

NEW REGULATIONS FOR AWARDS TO "K" MEN

Athletic Committee, and Not Coach, to Give "K's" In Future

At a meeting of the Athletic Committee, held in Judge Barker's office last Thursday, new regulations for the awarding of "K's" were adopted which will materially cut down the number of awards for each year, especially in track athletics. The custom in the past of granting letters to those men who make a certain number of points in intercollegiate track and field meets was thought to be too lax, but under the new arrangements only those men who equal or better certain records will be allowed to wear the "K". The privilege of naming the men who are to be given a letter in the other sports has been taken away from the coach and will be decided according to the regulations of the committee, which are as follows:

1. At the end of the football, baseball and basketball seasons letters will be given to those men who have taken part in three-fourths of the games (except baseball pitchers). Pitchers must have pitched forty-five innings in regular games.
2. In football, a man must have played twenty minutes in a game to get credit for that game, and in baseball seven innings.
3. A list of players with time or innings will be kept by the coach for each game.

"K's" will be awarded to men making better time or distance in a track meet than the following table:

100-yard dash	10.3
220-yard dash	23.
440-yard dash	54.2
880-yard dash	2.04.3
One-mile run	4.47
Two miles	11.00
120 yards hurdle	17.2
220-yard hurdle	28.00
High jump	5 feet 4 inches
Pole vault	10 feet 4 inches
Broad jump	19 feet 2 inches
Shot put	34 feet

STATE-VANDERBILT TRACK MEET SATURDAY

The first track meet of the season, that with Vanderbilt, will be held at the K. T. H. B. A. track next Saturday, April 17, because the new field is not in shape for a meet at present. No admission will be charged to see the events, as the seating capacity at the track is very inadequate.

Two men will be selected from those entered in each event except the relay races, in which four men will contest. The officials have not yet been selected, but good men will be in charge. The events and entries follow:

One hundred-yard dash, Roth, Grabfelder, Birk; 220-yard dash, Roth, Grabfelder, Birk; 440-yard run, Grab-

J. FRANKLIN CORN ELECTED IDEA EDITOR

Business Manager and Assistant Editor Elected For Next Year

J. Franklin Corn, a junior in the College of Arts and Science, was elected editor of The Idea for the coming collegiate year by the joint IDEA Board of Control which met in chapel last Friday at noon. Mr. Corn has many accomplishments along literary productions, being a member of the Canterbury Club and the author of numerous poems which have appeared in these columns.

Jefferson Harris, a junior in the College of Agriculture, was selected business manager and Bart Peak, a sophomore in the Arts and Science Department, was elected assistant editor.

The new management will assume the task of publishing and controlling the weekly Journal for the year of 1916 at the beginning of the September term of school.

COL. E. P. JOHNSON'S LECTURE POSTPONED

The date for the lecture to be given by Colonel E. Polk Johnson, of Louisville, to the students of classes in Journalism in the university has been changed from April 24 to April 27, at the same hour, 2:30 p. m.

The change was made by request of students and professors who desire to hear Colonel Johnson, but who had previously arranged to attend the K. E. A. meeting in Louisville.

Hammer throw 108 feet
Discus throw 100 feet

Letters will also be awarded to winners in tennis matches with other colleges. The standard letters for football will be eight-inch block, for baseball, six-inch block, and for basketball five-inch block with the letter "B" added. All men who have represented their classes in inter-class contests may wear their class numerals.

ELSIE HELLER, Recently elected captain of next year's girls' basketball team.

JUNIOR PROM TO BE A WONDERFUL AFFAIR

At Phoenix Hotel Tomorrow Night; Bids Will Be Distributed Today

That most attractive of all attractions, the Junior Prom., will be at the Phoenix Hotel tomorrow night, and every man who is awake to the situation will make a bee-line to the place where he may get his invitation.

The seniors and the juniors may get their bids today at noon in the Business Agent's office. The faculty also will find their invitations waiting for them at the Business Office.

Such a wonderful affair as this is the chance of a lifetime, at least to every junior. If he can not dance there is the souvenir, which is of no mean value, the music and the girls, everything to make him have a good time.

L. M. Nelson, class treasurer, is waiting for the dues of all those who have not paid yet and want to go.

Miss Hogarty's ten-piece orchestra will furnish even enough music to entertain those who do not care to dance. The heavens show that direful things will happen to those who do not attend. It was said by the old sage that "a word to the wise is sufficient."

R. C. Dabney, of Hopkinsville, and Robert Pfanstiel, of Morning View, '14 graduates of the Chemistry Department, have been appointed to succeed E. L. Gorgor and R. S. Doubleday, who resigned Monday from their duties as instructors in the Chemistry Department.

Henry J. Jacobs, of Covington, a graduate of the College of Mines and Metallurgy last year, was at the university this week. Jacobs is employed by the Ray Consolidated Copper Company, of Ray, Arizona, and was called home by the death of his sister.

BANQUET A FEATURE OF K. E. A. SESSION

Alumni and Former State Students to be Entertained In Louisville

Arrangements have been completed by the committee in charge, by which State University will have headquarters at the Watterson Hotel during the meeting of the Kentucky Educational Association in Louisville, April 21 to 24. It is the purpose of those in charge to keep a register of all alumni and former students of the institution, who are urged to call at university headquarters and meet university men and former comrades.

Bulletins on university work and departments will be on hand for distribution along with circulars and publications pertaining to the professions or business callings of those who are interested, the prime purpose being to be of real help to such former students and alumni as may desire it.

A feature of the university's part in the big program of the association will be a popular price banquet for alumni, former students and university men on Friday night of the meeting week.

ALASKAN LEGISLATOR ON LYCEUM COURSE

The next number on the lyceum course will be a stereopticon lecture Saturday, April 17, on "Alaska," by Edgar C. Raine, a member of the Alaska Legislature for eight years.

While a member of the Legislature Mr. Raine prevented the sale of college grant land for a paltry sum, and now they are worth \$8,000,000.

In connection with his lecture he will show pictures of Alaskan totems, photographs of the Alaskan sun rise, taken every eight minutes and other interesting scenes.

Mr. Raine will give a most authoritative handling of the subject and every one should attend. The lecture will be given in chapel at 8 p. m. Saturday.

WILDCATS ARE EASY FOR MICHIGANDERS

Dutch Schrader Is the Shining Light In Cats' Second Game

In a rather slow game the Wildcats came out on the short end of an 8-to-3 score with the Michigan Wolverines last Saturday afternoon. The visitors' score was largely due to the errors of the home boys.

The Michiganders netted three runs in the initial inning when they tapped Server for two hits and Hager fumbled two drives.

Opportune hits might have won the game for the Cats. As it was, Waters got a clean triple in the fifth and crossed the plate on Hager's single. Hager was unable to advance as Server fanned and Wright popped out to Brandell. "Dutch" hit a hot drive over second to McQueen, who gathered it in.

In the eighth the Cats chalked up their other score after Wright had fanned, when "Dutch" walked, took second on Brandell's fumble off Crum's bat and scored on "Zobo's" single. Jim Park drove a long fly to Sisler and Tuttle rolled to Davidson.

Server's pitching was effective in all but the first and last innings. "Dutch" Schrader was the shining light, handling eight chances perfectly. Waters, Reed and Hager each got two hits out of four times up.

The box score follows:

	AB	R	H	PO	A	E
Michigan						
Sheely, cf	5	1	2	0	0	0
Labadie, rf	5	2	2	1	0	0
McQueen, 2b	5	1	1	4	1	0
Sisler, lf	5	2	1	2	1	0
Brandell, ss	5	1	2	2	4	1
Benton, c	4	0	1	7	2	0
Maltby, 1b	3	0	0	9	1	0
Waltz, 3b	4	1	0	1	1	0
Davidson, p	3	0	1	1	1	0
Totals	39	8	10	27	10	2

(Continued on Page Three.)

FOOTBALL SCHEDULE OR 1915 WILDCATS

The following card is being distributed among the students. On one side appears a picture of Dutch Schrader, next year's football captain, and on the reverse side the following:

Wildcat Fights, 1915.

The following football schedule of the State University of Kentucky is the most difficult ever essayed by a Lexington team:

- October 2—Butler College at Lexington.
- October 9—Earlham College at Lexington.
- October 16—Mississippi A. & M. College at Columbus, Miss. (One of strongest team in the South.)
- October 23—University of the South (Sewanee) at Lexington.

- (Defeated Vanderbilt last year.)
- October 30—University of Cincinnati at Lexington.
- (Claimant of Ohio Conference championship.)
- November 6—University of Louisville at Louisville.
- (A strong contender for Kentucky championship.)
- November 13—Purdue University at Lexington.
- (The first Western Conference team to play in Kentucky.)
- November 26—Thanksgiving—University of Tennessee at Lexington. (Champions of the South.)
- All home games will be played on the new gridiron in the "Barker Stadium," Stoll Field.

SUSTAINING HAZING RULE.

The faculty of the university sustained on last Tuesday night the hazing ordinance by suspending six students from the university for the remainder of this semester, and three others from dormitory privileges. The act became effective last September and its purpose is to put an end to aid forms of "initiation," in which a student is exposed or intimidated in any manner whatsoever. Many copies of the decree was circulated about the campus and nearly all students will admit that the law should be rigidly enforced.

The only severe question arises when some innocent student, on account of his accidental presence, is suspended along with those who are the aggressors.

This act is a warning to the disturbers of the peace either within or without the dormitory. All students are placed under the care of the university and it is part and parcel of its program to decree for the best interests of the institution.

Fraternities and societies likewise fall within their governmental domain and these should take heed, lest some fall in the same path. Surely, those who "get in," desire to have a quietus of the barbarous torture, which almost causes the initiate to call upon superhuman power for mercy.

HUM OF THE GADFLY
THE NEWS IN RIME.

Seventy thousand malted milks,
Five thousand gallons nearly,
Are drunk, we're told, at Washington
By the students yearly..
Nine thousand "plunks" is all they
cost,
This is a lot of money;
For the "devourers"
Six thousand hours
Are used—"Just one more, honey."

The champion team of Connie Mack's
Licked Florida to a frazzle;
Fifteen to three the score did show,
The game was razzle dazzle.
At Tennessee the Y. M. C. A.
Campaigns for better living;
The Vandy boys
Play Illinois.
The score—it is not given.

SURE SIGNS OF SPRING.
Bock signs.
Campusology classes.
Studes cutting school.
Skirts on the campus.
Show-window negligee.
Sightseers on the courthouse steps.

Only seven more weeks and the en-
gineers can go back to the farm.

You can lead a man to a mirror but
you can't make him see himself as
others see him.—Exchange.

With Corn as editor and Peak as
assistant next year, the present man-
agement of THE IDEA can assure
you a good "feed" and a "high old

time."
The Michigan game brings to mind
an old query: If a man who goes to
Michigan is called a Michigander, is
a woman who goes there a Michi-
goose?

Of course we believe that a certain
Florida University professor uses his
Ford for rabbit-shooting at night, but
we can't understand how he can hit
them—out of a Ford.

The Y. W.'s. of the University of
Missouri want to discard all slang ex-
pressions and they're trying to place
the taboo on such phrases as "pulled
a bone," "peachy," "he dances like a
million dollars," "for the love of
Pete." It's a nifty stunt they're shov-
ing over in cutting out all that frica-
seed dope, for some sweet day the
grand moguls might get wise and slide
the rollers under 'em or slip 'em the
highball for a swift fade-away with-
out a return ticket.

The delectable diversion of revert-
ing occasionally to low-browed meth-
ods of thought expression can be con-
sistently counterbalanced by con-
sistently resorting, in accordance with
the exigencies of the situation, to the
judicious usage of irreproachable
language—that's why we say this.

John Chambers, of Murray, Ken-
tucky, a graduate of the College of
Arts and Science, was at the univer-
sity during his spring vacation from
the University of Michigan. "Brick"
was captain of the Wildcats in 1913,
but withdrew from school to accept
the position of City Milk Inspector.

THE PASSING OF "PHIL."

Don't you feel kinder lonesome here
lately?
Feel as if something were wrong?
Don't you feel as if some one were
missing
Since "Phil" pushed his wagon
along?

The campus don't look like it used to,
It's mighty deserted and bare
We can't buy a thing when we're hun-
gry
'Cause old dago "Phil" isn't there!

We want some bananas and peanuts—
We're hungry and starving and pale!
We long for "Fig Newtons" and can-
dy—
We want to give "Phil" all our
kale!" —S.

MYSTIC THIRTEEN
AND KEYS ENTERTAIN

The Mystic Thirteen and the Keys
of the State University entertained
with a dance Friday night at the Phoe-
nix Hotel ball room.

The Mystic Thirteen is a sophomore
organization and the Keys belongs to
the freshmen class. This was the first
time that the two organizations have
combined to entertain. The hall was
decorated in emblems of both of the
societies in electric lights which made
the ball very attractive. The music
was furnished by Miss Buchignani's
orchestra, which played a splendid
program for the dancing.

LAMED PE GIVES DELIGHTFUL DANCE

The Lamed Pe, a Masonic society, at State University, entertained delightfully with their annual dance in Buell Armory Saturday night.

The university orchestra furnished the music for dancing, which made the evening a very charming one and the hospitality was enjoyed by several hundred guests.

Receiving were the committee in charge, Mr. Paul Gerhard, Mr. W. J. Piggott and Mr. W. B. Croan, and assisting were the chaperones, President and Mrs. H. S. Barker, Dean Anna J. Hamilton, Professor and Mrs. L. K. Frankel, Professor and Mrs. T. R. Bryant, Miss Mary Fisher and Dr. A. S. Mackenzie.

The members of the Lamed Pe are Messrs. A. C. Young, Robert Mitchell, J. C. Ewen, R. M. Parrish, D. D. Donohoo, E. M. McGuffey, O. P. Gerhard, J. L. Watkins, C. C. Porter, E. M. Griggs, W. B. Croan, R. M. Elgelhart, Herbert Barth, L. J. Heyman, George Nagle, Joseph Piggott, J. O. Kelley, J. M. Ligon.

CHI OMEGA FOUNDERS' DAY CELEBRATION

The twentieth anniversary of Founders' Day was celebrated by the Chi Chapter at Transylvania University and the Lambda Alpha Chapter at State University of the Chi Omega Fraternity, last week with a banquet in the private dining room at the Phoenix Hotel. The room was tastefully decorated in cardinal and straw, the Chi Omega colors.

Mrs. Ray Rutherford, of Elizabethtown, nee Miss Susan Bond, of Lawrenceburg, was the charming toastmistress and presided gracefully with clever responses. Vocal and instrumental music helped to pass the hours delightfully, all voices going in the singing of the fraternity songs.

EXPERIMENT STATION NOTES.

(Omitted From Last Week)

Professor T. R. Bryant is in Trigg County working with County Agent Varney in introducing alfalfa in that community.

Professors Roberts and Carmody left Tuesday for Simpson County, where they will work with County Agent Gayle in a three-day campaign. They will conduct farmers' meetings in various parts of the county, with illustrated lectures and demonstrations on agronomy and horticultural subjects.

The Extension Department reports no halt in its campaigning for "more alfalfa." Professor T. R. Bryant, who is at the head of the work, believes that, although there is still "a long way to go," the "going" is good and he doesn't intend to waste any of it. April 5 and 6 was appointed for a rally at Cadiz, Trigg County, where an alfalfa growers' organization was effected, speeches made and plots selected for the growing of the popular legume. Leaving County Agent K. L. Varney in command, Professor Bryant went from there to Henderson, Ky., to do the same thing over and leave County Agent P. D. Brown, '14, on guard.

The Kentucky Wesleyan Club held its annual meeting in the city Saturday at noon, with an attendance of thirty members. It was presided over by Mrs. Abbie Easter Goodloe, president of the club. At the business meeting Miss Edith Tufts, guest of honor, made a short talk.

FLOYD WRIGHT MAY JOIN LEXINGTON COLTS

Floyd (Wrasty) Wright, the star outfielder on the 'Varsity team, may be one of the Lexington Colts this summer if Manager Guyn puts through a deal started Saturday. Guyn is very anxious to have Wright on the Lexington team, but he was under contract to train with the Cleveland Americans this spring, which contract he was prevented from keeping by an injury to his throwing arm. Guyn proposed to the Cleveland manager, Joe Birmingham, that he make arrangements to let Wright play here this summer, subject to the call of the Americans, but Birmingham seemed inclined to keep a tight hold on Wright, and it is feared that the Clevelanders or some other team will take him away from the Colts.

The mathematics section of the Association of Kentucky Colleges and Universities met at the university last week. Professor Paul P. Boyd, head of the Mathematics Department, is president of the section this year.

MOUNTAIN STUDENTS HAVE SOCIAL EVENING

The regular monthly literary program of the Mountain Club last Saturday night was dispensed with and the entire evening was given to a happy social and musical entertainment. The reading rooms of the Y. M. C. A. were well filled with members, guests and friends. Delightful refreshments were served and the evening was a great treat.

A number of mountain students from Transylvania and four mountain student nurses from the Good Samaritan Hospital were present.

CADET ENCAMPMENT WILL NOT BE HELD

Commandant A. R. Underwood announced last Saturday that he would have to call off the camping trip of the cadets which was proposed for the coming summer, because of word that he has just received from the office of the Adjutant General in the War Department that under a recent act of Congress the State Arsenal cannot lend equipment to the cadets.

Mr. D. F. Crawford, Superintendent of Motive Power, Pennsylvania Lines West and Mr. William Gibson, of Pittsburg, addressed the senior class of the College of Mechanical and Electrical Engineering Friday. Mr. Crawford's talk was an extemporaneous one, giving "Advice to a Young Man Just Leaving College," and Mr. Gibson made his address on the subject, "The Psychology of Education."

PRACTICAL MINERS COURSE NOW OPEN

The practical miners' course, which opened last week, is being attended by mining men from all parts of the State and from West Virginia. The purpose of the course is to qualify miners to take the examination for mine foremen. It is under the direction of Dean C. J. Norwood and Professor T. J. Barr, professor of mining engineering, and will continue until May 29.

STUDENTS' VIEW ON MILITARY SERVICE ASKED

Efforts Are Being Made by Leagues to Obtain the Consensus of Opinion Regarding Military Preparation.

One or more of the members of the faculty have received a letter from an organization in New York asking for the opinion of students regarding America's military service. In order that this can be obtained, it is desired that all thinking students of the university answer the following questions:

- Answer "yes" or "no." Sign your name, clip out and drop in THE IDEA box, stationed at north door of Main Building.
1. Are you in favor of the United States maintaining a citizen soldiery similar to that of Switzerland?
 2. Are you in favor of the teaching of military tactics in colleges and universities in the United States?
 3. Are you in favor of the establishment of summer military camps for students?
- Name

WILDCATS TO PLAY TWO GAMES WITH VOLS

The Wildcats leave tonight for Knoxville to stage two games with the Volunteers Friday and Saturday. These will probably be two of the best games of the season, as the Tennessee team is counted as a strong Southern pennant contender.

The Wildcats should be in the best of trim for the two matches, but there will probably be a change in the lineup. Reed will do the catching on account of Curt Park's injury, while Captain Jimmy will be seen cavorting around the keystone bag, and "Red" Spalding will occupy the vacant outfield garden.

The following men will make the trip: Wright, Schrader, Crum, Reed, J. Park, Tuttle, Waters, Spalding, Howe, Server, Ireland, Thomas, Coach Brumage and Manager Taylor.

NINE STATE STUDENTS PUNISHED FOR HAZING

C. B. Elston, Turner's Station, senior; A. G. Craig, Ghent, senior; J. H. Moore, Marlon, junior; N. N. Terry, Fulton, junior; G. F. Reddish, Somerset, sophomore, and G. B. Nance, Gevill, sophomore, were suspended for the remainder of the semester and Carter Clark, J. P. Ricketts, and R. C. Scott were expelled from the dormitory for hazing, by the faculty in a meeting Tuesday. The faculty found that the men were implicated in some hazing last year and their action in the matter shows that they intend to abolish all forms of hazing.

BIG LEAGUERS VIEW MICHIGAN-STATE GAME

Manager Fred Clarke, of the Pittsburg Pirates; Jimmy Viox, the Pirates' third baseman, and Coach Lundegren, of the Michigan team, formerly a pitcher for the Chicago Cubs, were the big leaguers who saw Saturday's game between the Michiganders and the Wildcats.

Manager Clarke attended the game to see Sisler, the outfielder and pitcher of the Wolverines and "Dutch" Schrader, the Wildcat shortstop, in action. He saw Schrader handle eight chances perfectly and after the game said that Schrader was one of the best fielding infielders he ever saw. It is reported that he signed Sisler to play with the Pirates for \$3,200.

Coach Brumage was up against a tough proposition in tackling the Michiganders, for their coach Lundegren was formerly a pitcher for the Chicago Cubs and received his schooling under Frank Chance.

"CALL OF THE BLOOD" GIVEN AT BEN ALL

The "Call of the Blood," Professor Cotton Noel's dramatization of the Bible story of Esther, was presented at the Ben All Theater yesterday evening by the Canterbury Club of State University. The play is one of unusual poetic fire and dramatic power and its beauty was supplemented by gorgeous costumes and scenery.

There were about thirty people in the cast, each of whom played admirably his role, great or small.

The proceeds of the play are to go to the Social Service Committee of the Woman's Club. The cast was as announced in last week's issue of THE IDEA.

Miss Elizabeth Graeme Moore, a senior in the Home Economics Department, has accepted a position in the Louisville public schools.

O. W. Smith, of Covington, who graduated from the College of Mines and Metallurgy last year, is here on a furlough granted by the Ducktown Copper Company, of Isabella, Tennessee, of which he is an employee.

On the request of Representative H. Y. Thomas, the Bureau of Entomology assigned three students, Mr. Carl A. Weckland, W. C. Naegle and Samuel F. Grubbs, all of the Agriculture Department of the university, to assist Mr. A. C. Morgan in his work this summer. Mr. Morgan is Assistant Entomologist of the Department of Agriculture and has been stationed at Clarksville, Tenn., in the center of the dark tobacco district, and his work this summer will be an attempt to eradicate the tobacco worm from the Black Patch. The Government expert and his assistants will attempt to instruct the tobacco growers in the best methods of spraying and using other scientific methods of killing the forms.

Need Lumber? Good Lumber?

It is not alone necessary that lumber shall be good in the first place, but good lumber to retain its goodness must have proper care and attention.

Every stick of lumber that enters our yards is carefully handled. Some is stacked on sticks, some piled in open sheds and some put in enclosed buildings, according to the individual needs. So, each piece will reach you in the best possible condition.

You will find, here, lumber for any purpose from the smallest operation to any ordinary undertaking.
